

Route 5

Firthmoor and Skerne Park

Short Route - 25 minutes

Long Route - 45 minutes

This route will take you through the Firthmoor and Skerne Park areas and also the Maidendale Local Nature Reserve with its ponds and wild flower areas.

- Start at junction with Harris Street and Geneva Road heading east on Harris Street passing St Theresa's School on your right.
- Carry on until you reach an off road route – go straight ahead. Turn right onto Salters Lane when you reach the road. Continue on into Maidendale Local Nature Reserve bearing right onto the path leading to the road at Edgemoor Rd.
- Follow Edgemoor Road round to the right and when you reach the T junction with Emley Moor Road, turn left.
- Turn left on to West Moor Road
- **Short Route:** take the next right onto Brankin Road leading to Claremont Road. At the T junction with Geneva Road turn right and keep cycling until you reach the start point at Harris Street.
- **Long Route:** Continue on leading into Brankin Road straight ahead. When you reach Neasham Road take care to cross the road then continue straight ahead on Geneva Crescent.
- Cross Parkside and continue straight ahead and use the off road route to access the next street. (Ullswater Avenue)
- At the T junction turn right onto Smithfield Road and then turn left onto the off road route by the doctors surgery. Use the toucan crossing to cross Neasham Road and then travel down Aysgarth Road. At the end turn left (Rydal Rd.) then turn right onto the off road route just after Dodmire School. At the end of the park turn left onto Milton Street then first right onto Harris Street. Carry on until you reach the start point at Geneva Rd.
