Catch The Bus Week

Catch The Bus Week is a campaign aimed at increasing awareness of the benefits of taking the bus, particularly to encourage people who don't normally take the bus to give it a try. The campaign is a national celebration of the benefits of taking the bus.

Catch The Bus Week usually takes place during July but please check the Catch The Bus Week website for more information.

How about doing some bus related activities in school during that week?

You could have a trip out by bus, do some creative writing about an adventure by bus or do some ICT work around planning bus journeys and looking at timetables.
